# Final Chapter

## Thank you

Thank you to everyone who participated over the years.

Please see the web site <https://childyouthhealth.org> for the Final Report.

### [Connectedness Projects](#)

**The web site archive has a Power Point that highlights the working group projects.**

Each domain group (family, peer, school and community) has provided a report back to you, including a description of their activity, as well as outcomes and recommendations for the future.

The web site will host this and other milestone documents in the Archive section. Take a look!

## Tough Decision

A consensus decision made at a facilitated C&YHN meeting March 18, 2018 was to wrap up the work of the C&YHN, and to produce a final report on successes and lessons learned, with recommendations for those who undertake similar collaborative efforts. (See the Archive section of the C&YHN web site)

## Connectedness Projects

Earth Day at the Gorge encouraged youth connectedness to family.

Youth-led photo booth encouraged youth connection to a community event.

Thanks to those who participated in the Connectedness Working Groups - top left Family Domain, top right Peer Domain, bottom left Community Domain and bottom right School Domain. Well done!!!

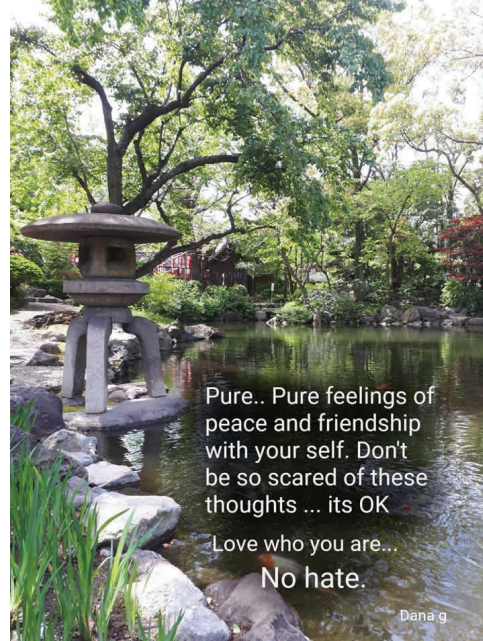

Photo-voice project - youth connecting with peers about connectedness.
